

HUU Board Minutes

November 20, 2022

Present: Nancy Barbour, Rich Sider, Martha Faw, Jo Bowman, guest- Paula Bennet

The minutes from the last meeting were approved.

The next meeting will be Dec. 11, 2022

Key Long-term and Short-term Issues-

-Paula Bennet presented ideas for her role in Membership/Outreach expansion.

1. Welcoming new guests each Sunday- getting names, emails, phone numbers, etc.

2. Finding ways to keep new friends and members connected. Getting new people engaged with others so they feel a part of our group.

3. Reaching out to current members who haven't been active lately and seeing what they may need.

4. Update the directory and keep it current, maybe adding birthdates and photos.

5. Create a greater HUU presence in the community. Ideas included flyers in the community, regular events/activities, a once a year bigger event, bring back the circle dinners that we used to do.

These ideas need to be coordinated with David Lane and the Membership Committee.

-The Copyright Policy which was prepared by Tom Hook was approved.

-The HUU manual needs to be revised and it needs to mirror the bi-laws. Nancy has agreed to compare the two in regards to the duties of the Board and the Moderator and determine where changes need to be made. Each HUU committee should have a person compare the manual and the bi-laws regarding their committee. Rich will set up a meeting with Tom Hook and Nancy to review the Manual and decide who to ask to revise various parts and to plan for the overall update.
