

Religious Education Questionnaire for Parents/Grandparents/Grown-ups

June 2009

1. What religious tradition, if any, did you grow up in? Is there a particular theology you subscribe to now?

2. In general, why did you want your children to attend church? What kind of religious education did you hope they would acquire?

3. When you committed to coming to HUU, what were your expectations of the church, in terms of the type of religious education it would provide your kids?

4. Do you know much about UU history, theological roots, and principles? \_\_\_\_\_  
Do you feel comfortable with your children thinking of this as “their religion”?

5. What are the most important things children should get out of an RE program?

6. How old are your children? \_\_\_\_\_

At their current developmental stages, what sorts of “big questions” are they asking?

7. Are you interested in being a member of a teaching team? \_\_\_\_\_ If yes, what age group?

a. nursery

b. preK/K

c. elementary

d. middle/high school

e. college
