

HUU Welcoming Workshops 2011 – 2012

As an enhancement HUU's thriving adult education processes (groups already gather at 9:00AM on Second and Third Sundays), our Welcoming Congregation Task Force is offering an additional information and process workshop each First Sunday.

Many members and friends have already gathered stories, inventories, and other print or electronic resources to deepen and enhance our appreciation for our welcome and inclusion of people regardless of age, ability, culture, gender, or sexual orientation. UUA leadership and resources are assisting congregations like ours to see LGBT issues within a wider locus of inclusion and welcome.

We look forward to your open and thoughtful participation in any or all of the following:

October 2	LGBT Issues and Religion	Rev. Michael Quayle	UUA workshop 8
November 6	What We Know and How We Learned It	Richard Wolf	UUA workshop 2
December 4	The Common Elements of Oppression	Welcoming Team	UUA workshop 3
January TBA	Gender Socialization and Homophobia (may be of special interest for parents / CYCORE)	TBA	UUA workshop 4

Watch our HUU Enews for advance resources for your reflection or preparation.

Welcoming Task Force Members (Angelina Gonzales, Michael Quayle, Richard Wolf, and Jeanine Sellers) are always happy to respond to comments or questions.
